

COURSE AND ADMISSION DETAILS FOR CLASS 11

SESSION: 2025-26

HELLO,

Class 11 is the first year of the higher secondary level. The penultimate year of school life, it is a student's gateway to the world. One's choices and performance in classes 11 and 12 decide and define the course of their future life.

At Nitin Sir, we are mainly offering various courses in Mathematics and Physics. The details of the courses are shared in the brochure. Apart from the normal classes there will be regular tests and doubt clearance sessions as per need of the student. If there is any query regarding the courses, you can contact on our number mentioned below.

*Come, lets create magic with Maths and Physics!
Happy Learning!*
